Idea

We are looking for potential business/technological partners for rural electrification.

We are India's one of the leading solar panel manufacturing company. However, we are now venturing into rural electrification and are looking for partners .

At IOREC we are looking for business/technological partners who are working in the off-grid sector. We are especially interested in mobile money, pay as you go systems and community electrification (micro/mini grids)

Keywords: pay as you go micro grid mini grid off-grid india village electrification

Cooperation Offered

1. Outsourcing co-operation
2. Manufacturing agreement
3. Other

Cooperation Requested

1. Technical co-operation
