Description

Nizam Energy (<http://www.nizamenergy.com>) is an Acumen (<http://acumen.org>) investee company in Pakistan. Started operations in rooftop solar for commercial and residential clients in 2012. Today the company employs over 300 People and has 14 offices across Pakistan.

Our 3 core segments are as follows: • OFF-GRID (Pay as you go - PAYG, Micro Grids and Solar Water Pumping) • COMMERCIAL (Distributed Power Generation on Rooftops through Private PPA) • UTILITY (independent power production, and EPC for Other Developers)

The Pay as you go- PAYG Venture is operated as a subsidiary by the name of Nizam Bijli (<http://nizambijli.com>) which has its own Proprietary Software Platform and GSM Enabled Solar Home Systems which allow close monitoring and data scoring based on individual customer behaviours.

We are looking to partner with Service Providers in new markets across Africa... Feel free to contact us.
